YAI YOUTH NATIONALS 2025

03 MAY TO 10 MAY 2025

The stage is set for one of the most anticipated events of the Indian Sailing Calendar. **YAI YOUTH NATIONALS** is set to sail into town this weekend, drawing young sailing talents from across the country and sparking excitement for both competitors and spectators alike.

The event is one of a kind, organised by the Corps of Engineers Sailing Club and Marve Sailing Club under the aegis of Yachting Association of India, off the picturesque Marve Beach. Sailing as a sport requires not only physical endurance but also mental toughness, and it will be exciting to see how the competitors rise to the challenge.

The Youth Nationals serve as India's premier platform for youth sailors across various classes to showcase their talent, discipline, and racing skills. Participants from sailing clubs across the country will compete in multiple classes. This event also plays a key role in identifying and nurturing the next generation of elite sailors who may go on to represent India at international competitions, including the Asian Games and Olympics.

This year's event will feature several exciting categories, including ILCA 4, Optimist, 29er, IQFoil, Techno, 420; with over 140 participants having registered. As preparations are underway, sailors are getting their boats ready and fine-tuning their strategies.

A team of event officials including World Sailing qualified International Race Officers, International Judges, Measurers, and qualified race officials will be ensuring fair conduct of races and level playing field for all the competitors. The organizing authority is thankful for the kind support of the sponsor partners SBI, ITUS Sports & Dominos.

This event was officially inaugurated by Maj Gen Gaurav Kaushal, VSM, SM Deputy Commandant, CME Pune and the racing commences with effect of 06th May 2025.
